Eos Loudspeakers

The Eos Loudspeakers are acoustically matched to complement to the Eos Converge Amplified Receiver. These audiophile quality bookshelf speakers are designed to give you great sound in any room environment. The Eos Loudspeakers feature 5" woofers and 1" silk tweeters in a Bass Reflex enclosure design for incredible deep sounding bass, rich midrange and crystal clear highs. The loudspeakers are finished in rich looking black ash with removable a black fabric grill. The loudspeakers feature binding posts for easy connection to the pair of included 10' (3m) of 18-gauge cable.
