Unique Icon display

Cocoon Icon Universal Remote IRC10

Description - Cocoon Icon Universal remote control

Replaces up to 10 remotes with unique channel icon display

- Controls up to 10 devices
- Large - full colour LCD display
- Favourite channel icons - includes all Australian Pay TV and Free-To-Air channels
- Stylish, modern design
- Easy to use - on-screen help & setup wizards
- "Soft Touch Response" buttons for comfort and ease of use
- Unique His & Hers quick access to favourite channels - and up to 8 other users
- Intuitive control and button layout for most common devices
- Replaces up to 10 remotes
- Two year warranty

The most unique universal remote in the world. Make channel surfing a breeze. The Cocoon Icon Remote remembers all of your favourite channels - including Pay TV - displaying the familiar network icons right on the colour LCD screen. To switch from Discovery Channel to Lifetime, you just push the button next to the Lifetime icon, and your TV instantly changes channels. You will never have to remember channel numbers or have to scan through channels that you don't watch to get to your favourites.

Custom user profiles for the whole family! The Icon Remote also lets you setup custom profiles for up to 10 users. There are even "HIS" & "HERS" buttons
